James, Connie Kalder, Billy Andrusco, and Herni Loiselle. Since 1988 the quartet has performed and recorded in Sasaktoon.

Martin Janovsky is originally from Prague in the former Republic of Czech. He graduated from the Prague Conservatory in 1978 and spent 2 years at the Academy of Music before touring Europe extensively, first with the Prague Big Band and later, with his own trio.

After a stint in a Paris Jazz club Janovsky moved to Canada and launched Hipcheck. Two years later things began to pick up when Janovsky and his band Hipcheck were asked to be the house band at the Saskatchewan Pavilion at Expo '86 in Vancouver. While at Expo Martin formed some long lasting musical connections, among them Billy Andrusco and singer Henri Loiselle.

His association with both men continued when he returned Saskatchewan and performances with Henri Loiselle and The Billy Andrusco Trio were soon added to Janovsky's already busy schedule with Hipcheck. He soon found himself performing across Western Canada.

Throughout his busy schedule as a performer, Martin made time to compose. He has written

music for The Jeux Canada Games, The Grand opening of Saskatchewan Place, The 1991 Canadian Junior Figure Skating Championships and the 1992 Saskatchewan Summer Games. He also started Janovsky Studios to teach and tutor students in Classical and Jazz music
